# Discover the advantages of a Kaiser Permanente Medicare health plan

Whether you're already a member or new to Kaiser Permanente, you can feel confident about high-quality care, time-saving convenience, and high Star ratings.<sup>1</sup>

## Choose your personal doctor – and change anytime

All of our available doctors welcome Kaiser Permanente Medicare health plan members. It's easy to go online and read our doctors' profiles before you choose. Plus, you can switch to another Kaiser Permanente doctor at any time.<sup>2</sup>

If you're already a member and are joining our Medicare health plan, you can stay with the health care team you know and trust.

---

## Better care with a connected team

Your doctor, nurses, and specialists work together to keep you healthy. Connected through your electronic health record, they know when you're due for a screening and what medications you're taking.<sup>3</sup> A connected care team helps ensure nothing gets missed or forgotten, and you get personalized care.

---

## Access to specialists

You have access to a full range of specialists, including cardiologists, orthopedists, audiologists, and more.

---

## \$0 for preventive care

With a Kaiser Permanente Medicare health plan, you pay no additional cost for preventive services like your yearly checkup, mammograms, prostate exams, flu shots, and cholesterol tests.

---

## Convenience you need under one roof

When you visit a Kaiser Permanente facility, you can see your doctor, get lab work or X-rays done, and pick up your prescriptions – often in one trip. In many regions, specialists' offices and hospitals are also at the same location.

---

## Online tools to manage your health, 24/7

You can email your doctor's office, view most test results, refill most prescriptions, and schedule or cancel appointments – all online.<sup>3</sup> You can also download the Kaiser Permanente mobile app at no cost, to manage your health on the go.
